FIRST FEMALE PRESIDENT ?

U.S. IS TRYING TO LEAP AHEAD

La Jolla, CA, 26.04.2015, 18:44 Time

USPA NEWS -

In a world where women are increasingly crucial to international and domestic politics, the United States is ranked 79th in terms of women's political participation. This puts us far behind many countries that we designate as "Third World." Creating female world leaders is essential.
