Segolene Royal congratulates India for ratifying Paris Agreement

Minister of Ecology COP 21 President

Paris, Washington DC, 02.10.2016, 19:57 Time

USPA NEWS - President of COP21, Segolene Royal, congratulates India for ratifying the Paris Agreement. This ratification brings three positive effects: The emission threshold for the entry into force of the Paris Agreement is approaching 55%. India represents 4.10% of global emissions of green house gas.

CONGRATULATIONS AND THANK YOU TO INDIA RATIFYING PARIS AGREEMENT-----

I am announcing that the statutes of the Solar Alliance are ready and I will sign in the coming days

The President of the COP21, Segolene Royal, congratulates India for the ratification of the Paris Agreement. This ratification brings three positive effects-----

1. The emission threshold for the entry into force of the Paris Agreement is approaching 55%. India representing 4.10% of global emissions of greenhouse gases, bringing the total emissions covered by 51.89%.-----
2. I will sign in the coming days the statutes of the solar coalition set up by France and India at the COP21. Intensive work was successful and the first projects are launched. [Enclosed the presentation document of the International Solar Alliance]
3. Having chosen the day of the birthday of Mahatma Gandhi is a strong symbol for saving the climate is also save peace.

"I welcome the commitment of Prime Minister Narendra Modi for solar Alliance that will be installed in Delhi and the Smart 100 cities of the project for which industrial cooperation are underway, including transport, water management, the waste treatment." Statement of Segolene Royal, French Minister of Ecology and Sustainable Development, President of COP21.
